Professional Summary

Detail-oriented and versatile professional with strong expertise in AI data training, transcription, data annotation, and Arabic linguistic evaluation. Skilled in assessing AI-generated content for accuracy, grammar, and cultural relevance, as well as refining and rewriting text to improve quality. Experienced in creating natural prompts and responses in Arabic to train conversational AI systems. Known for excellent communication, adaptability, and teamwork, with additional experience in YouTube automation, personal training, and customer service.

Objective

To contribute to language evaluation projects by leveraging my expertise in Arabic linguistic quality, AI model training, transcription, and data annotation. Seeking to support the improvement of AI systems through high-quality language evaluation, prompt creation, and text refinement.

Education

Bachelor of Engineering - BE, Production engineering and mechanical design
Faculty of Engineering, Menoufia University - Graduated

Key Skills

- Arabic Language Expertise: Native speaker with excellent grammar, spelling, and cultural awareness.
- Dialect Versatility: Experienced in recording and conversational projects in Egyptian, Saudi, Emirati Arabic, and English.
- Evaluation & Annotation: AI response evaluation (accuracy, grammaticality, cultural relevance), preference ranking, and text quality improvement.
- Prompt & Response Writing: Skilled in creating natural prompts and responses in Arabic for AI conversational datasets.
- AI & Data Training: Annotating, collecting, and curating datasets for AI platforms (Outlier AI, Alignerr, Data Annotation, Telus, RWS, etc.).
- AI Tutoring: Supporting AI model learning through interactive tutoring sessions and feedback refinement.
- Transcription: Accurate transcription of Arabic and English audio/video content.
- Communication: Strong verbal and written communication skills in both Arabic and English (B1+). - Problem-Solving & Detail Orientation: Analytical approach with focus on high-quality deliverables. - Teamwork & Flexibility: Collaborative, adaptable, and effective in remote freelance environments.

Professional Experience

English Voice Recording Projects Nov 2025 - Jan 2026

Agents Only Technologies

• Recorded high-quality English audio for various projects, ensuring clarity, correct pronunciation, and natural intonation.

• Followed detailed project guidelines to meet platform standards and client expectations.

• Collaborated remotely with project managers to refine recordings and improve dataset quality.

• Maintained consistent accuracy and attention to detail across multiple recording sessions.

- **AI Data Annotator & Evaluator** Nov 2023 - Present

Outlier

• Evaluate AI-generated responses for accuracy, fluency, and cultural relevance.

• Perform preference ranking, error correction, and grammaticality checks.

• Create natural Arabic prompts and responses for conversational AI datasets.

• Annotate, collect, and curate datasets to support high-quality AI training.

• Support AI model learning through interactive tutoring sessions and feedback refinement.

• Perform AI data annotation and evaluation according to project-specific guidelines.

• Review and label data to meet defined quality and consistency requirements.

• Apply detailed instructions to assigned tasks and identify potential data quality issues.

• Maintain accuracy and consistency across project-based AI data workflows.

Transcription Specialist Nov 2024 - Present

RWS

• Transcribe Arabic and English audio/video content with high accuracy.

• Ensure grammatical correctness and consistent formatting.

• Maintain strong attention to detail and deliver on tight deadlines.

• Evaluate AI generated responses for accuracy, fluency, and cultural relevance.

• Perform preference ranking, error correction, and grammaticality checks.

• Create natural Arabic prompts and responses for conversational AI datasets.

• Annotate, collect, and curate datasets to support high-quality AI training.

• Support AI model learning through interactive tutoring sessions and feedback refinement.

Arabic Voice Recording Projects Oct 2025 - Nov 2025

Jeenie

• Contributed to Arabic voice recording projects for AI model training.

• Recorded high-quality audio samples in Egyptian, Saudi, and Emirati dialects.

• Performed scripted dialogues, prompts, and conversational scenarios as required.

• Ensured clear pronunciation, natural tone, and high-quality audio delivery.

• Followed platform guidelines and delivered accurate, culturally-relevant recordings.

QA Support | Arabic Quality & Team Coordination Aug 2026

TELUS Digital

• Coordinate Arabic team quality matters with client stakeholders, Quality Managers, and Project Managers.

• Lead internal meetings and training sessions to explain project updates, clarify guidelines, and address recurring quality concerns.

• Participate in client calibration sessions to discuss complex cases, resolve guideline ambiguities, and align evaluation standards.

• Communicate guideline changes and client feedback to the Arabic team through clear documentation and team updates.

• Monitor annotation quality, identify recurring errors, and provide actionable feedback to improve consistency.

• Conduct root cause analysis (RCA) on quality issues and communicate findings and corrective actions to project leadership.

Dubbing Oct 2025 - Present

RWS

• Delivered accurate Dubbing of Arabic and English and most of languages video content, working on projects on RWS in this field.

AI Data Annotator & Evaluator Sep 2025 - Present

RWS

• Perform AI data annotation and evaluation according to project-specific guidelines.

• Review and label data to meet defined quality and consistency requirements.

• Apply detailed instructions to assigned tasks and identify potential data quality issues.

• Maintain accuracy and consistency across project-based AI data workflows.

Arabic & English Voice Recording Mar 2025 - May 2025

Outlier

• Contributed to Arabic & English voice recording projects for AI model training.

• Recorded high-quality audio samples in Egyptian, Saudi, and Emirati dialects and English.

• Performed scripted dialogues, prompts, and conversational scenarios as required.

• Ensured clear pronunciation, natural tone, and high-quality audio delivery.

AI Personalization & Red Teaming Evaluator Apr 2026 - Jul 2026

Meridial Marketplace, by Invisible

• Test personalized AI assistants using challenging prompts and multi-turn conversational scenarios.

• Evaluate how AI systems interpret and use personalized context.

• Identify unexpected behaviors, reasoning failures, context misuse, and inconsistencies.

• Assess potential information leakage and inappropriate personalization against project-specific criteria.

• Document failure cases and provide structured, evidence-based evaluations.

AI Data Annotator & Multimodal Evaluator Aug 2025 - May 2026

TELUS Digital

• Contribute to multimodal AI training and evaluation involving text, audio, images, and video.

• Evaluate AI generated responses for relevance, quality, instruction adherence, and overall performance.

• Compare and rank model responses using project-specific evaluation criteria.

• Perform audio transcription and speech quality assessments.

• Review image and video content according to annotation and evaluation guidelines.

• Apply detailed instructions across different task types to maintain consistent evaluation quality.

YouTube AI Automation – Content Creator Oct 2022 - Mar 2025

• Managed AI-assisted content creation and video automation.

• Researched, scripted, and automated videos for niche topics.

Personal Trainer & Nutrition Coach – Freelance Oct 2021 - Present

• Designed personalized workout programs and nutrition plans.

• Provided one-on-one coaching, improving client satisfaction and performance.

Languages

- Arabic: Native (Excellent writing & grammar skills).
- English: Intermediate (B1+).

Personal Qualities

- Strong attention to detail and linguistic accuracy.
- Culturally aware and sensitive to Arabic language nuances.
- Eager to learn, adaptable, and able to manage tasks independently.
- Friendly and approachable with proven teamwork skills.
